- In-patient alcohol and drug treatment.
- Information and assistance.
- Advocacy services
- Other services as needed or required.

VETERAN'S SERVICE COORDINATOR:

When a veteran seeks services from the Columbia County Veteran's Services Office, they will be working with a Veteran's Services Coordinator (Officer).

The job of the Veteran's Services Coordinator is to ensure that the veteran re-

ceives all of the services they are entitled to. The Veteran's Services Coordinator will explain the benefits that are available and be a strong advocate to ensure that the veteran receives the services they are entitled to.

Our current Veteran Service Coordinator is currently working on his credentials to become a certified veteran services officer.

The Veterans Services Coordinator office hours are **M-F 8:30 a.m. to 5:00 p.m.**

By appointment only.
